Reading

In-N-Out Cover to Cover Reading Program

Oct. 1—Nov. 12

Earn a burger from In-n-Out for every five books read for up to three rewards! Sign up at sandiego.beanstack.org or at the Youth Desk in the library.

Math & Reading Buddies

Mondays • 4pm

Teen volunteer to help kids of all ages with math or reading.

Not-So-Elementary Book Club

Friday, Oct. 21 • 4pm

Discuss the book with the librarian after a volunteer reads the first chapter. This month's read: *The Witches* by Roald Dahl. Email Grahamk@sandiego.gov to sign up.

Homework Help

Mondays • 4pm-6pm

Drop in to get help with homework from retired teachers. Grades 1-12.

Lego Builders Club

Wednesdays • 4pm

Kids build with Legos and display their creations in the library! Grades K-5th.

STEM Workshops

Fleet Friday

Friday, Oct. 14 • 4pm

A Fleet Science Center educator guides children through a hands-on workshop once per month. Registration required. Grades 3-6

Workshop: Chemistry Concepts

Coding from SCRATCH

Tuesday, Oct. 18 • 5:30pm

Learn how to code using the program Scratch and ultimately create your own video game. Grades 2-5. Limit 20. Registration required. In partnership with Torrey Pines Elementary School.

Circuits in Costume

Friday, Oct. 28 • 4pm

Celebrate Halloween Frankenstein-style with a Mad Science circuits workshop and wear your costume!

STEAM Tuesday

Tuesdays • 4pm

A different art or science project led by library staff each week! Grades K-5th.

3D Design Workshop

Monday, Oct. 19 • 5:30 pm

Design and print your own 3D object to keep with help from a 3D design expert! Registration required. Ages 7-17.

Create: Trick-or-Treat Rings
